

THE MOSELEY UPDATE

from the International House of Prayer Missions Base - Kansas City

CAN A CITY BE CHANGED IN A DAY?

So I sought for a man among them who would *make a wall*, and stand in the gap before Me on behalf of the land... **Ezekiel 22:30**

FATHER, POUR OUT YOUR SPIRIT!

Gather to Me my consecrated ones, *who have made a covenant with Me by sacrifice . . . call upon Me in the day of trouble and I will deliver you.* Psalm 50:5,15

Ten years ago, four hundred thousand primarily young people gathered to the Mall in D.C. to fast and pray for America. Now, ten years later, the stakes couldn't be higher. Seismic political, economic, and societal shifts are drastically reshaping California, every state, and the nation. This is the time for a great spiritual outpouring to be unleashed to meet the demand of these times.

God's prescription in the day of trouble is to gather in prayer, rending our hearts and calling upon God. In that place of united fasting and prayer, God promises to release deliverance and help. (Joel 2)

Therefore, we are again summoning thousands of young and old— those whose hearts burn for their generation— to gather in Sacramento as consecrated, intercessory representatives from, and on behalf of, California and every state to "altar" their lives, "altar" their states, and "altar" the nation.

Can California be changed? Can a nation be changed?

Yes, but only if they are altar-ed!

"Elijah repaired the altar of the Lord that was broken down . . . then the fire fell." —1 Kings 18:30, 38

School Starts!

It's almost time for school to start

The first day of school for the Moseley kids will begin the day after Labor Day! We are going back to full-time homeschooling and we couldn't be more excited! Eli begins 6th grade and Silas begins 2nd grade. They are growing up so fast. Please pray for the boys to receive an outpouring of God's wisdom as we begin our studies soon.
