CAN SOMEONE SAY TESTIMONY!!??!!

The spiritual awakening and revival that began in November 2009 at the IHOP Missions Base campus is still going strong. Every week we have many testimonies of healing and salvation taking place here, and abroad. Please enjoy reading about just a few of these tremendous examples of God's love and power! Each one of these testimonies was emailed to our team from all around the world. God is touching not only those who are here in Kansas City, but also those who watch services via the free webstream. Please join us as God continue to moves with power: www.IHOP.org

Physical Healing: Fatigue due to Iron Deficiency, 3/7/2010

I am a missionary with Youth with a Mission (YWAM) in Thailand. For many years I had experienced extreme fatigue due to low iron levels, and I was having iron infusions every six months. Wes Hall had a word of knowledge for someone watching on the internet with blood problems that cause fatigue. I instantly felt strength come into my body. God has healed me completely; it has been a few weeks and I have not felt tired or weary. God has literally renewed my strength to run and not grow weary and to continue serving Him. Thank You, God!

Salvation and Deliverance, 2/27/2010

I am a youth pastor in Upstate New York. I came to the student awakening meetings last week and was touched in a massive way. I am currently hosting a spiritual freedom retreat for fifteen teenagers back home in New York. As a part of the retreat, we tuned into the webstream. Powerful deliverance came, and teenagers were being set free from fear, self-hatred, and addiction. In a small room, teenagers were sprawled out on the floor under the power of God as He did deep inner work. We are experiencing the power and joy of God in a way that I've never seen before. In addition to the freedom we're experiencing, one girl came to the retreat unsaved; she has been saved, and we baptized her in a bathtub. Praise God!

Barren Womb Now Expecting, 2/11/2010

My wife and I have been married for four years and haven't been able to conceive. A month ago, as you were praying for those who were barren, I agreed with you in prayer and told the Lord that my wife wanted a baby. We are now five weeks pregnant. Thank you, Jesus!

Church Revival and Deliverance from Pornography, 1/30/10

On January 4 I started watching the IHOP-KC prayer room and found out about the awakening. My dad showed me the webstream, and at first I thought, "These people are just not my cup of tea." I said, "Seriously, Dad, it's an internet feed. God is not here." I started watching, and I was captivated by what was going on. Two hours flew by, and that day the Lord delivered me from pornography. The Lord has changed my desires. Now, every chance I have, I watch the webstream. The Lord not only touched me but my church; we are constantly praying with you, and many lives have been changed.

Our mouth was filled with laughter, and our tongue with singing... The LORD has done great things for us, and we are glad.

(Psalm 126:2-3)
